

Hello! I'm a simple chatbot using NLTK. Type 'quit' to exit.

You: hi

Chatbot: Hello!

You: hello

Chatbot: Hello!

You: how are you?

Chatbot: I'm good, thanks for asking!

You: what is your name?

Chatbot: I don't have a name, but you can call me Chatbot.

You: what time is it?

Chatbot: The current time is 11:27:48

You: what is the date today?

Chatbot: Today's date is 2024-08-31

You: what is the day today?

Chatbot: Today's day is Saturday

You: tell me a joke

Chatbot: Why did the math book look sad? Because it had too many problems.

You: what's your favorite color?

Chatbot: I don't have personal preferences, but I think blue is a nice color.

You: tell me a fact

Chatbot: Did you know honey never spoils? Archaeologists have found pots of honey in a

You: who created you?

Chatbot: I was created by a developer using NLTK.

You: give me some advice

Chatbot: Believe in yourself and all that you are. Know that there is something inside

You: what can you do?

Chatbot: I can help with a variety of things such as telling you the time, providing f

You: help
